## HENRY HERNDON DEAD.

Death Resulted From Dropsy  
Last Monday Night.

Mr. Henry C. Herndon, a well  
known South Christian farmer, died  
at his home near Oak Grove Mon-  
day night of dropsy, in the 58th  
year of his age.

Mr. Herndon was a member of the  
Christian church, a prominent Ma-  
son, and a member of Forbes Bivouac  
Confederate veterans. He leaves  
a widow and several children.

## SHIVELY FOR GOVERNOR.

Indiana Democrats Will Nominate  
the South Bend Men.

Indianapolis, Ind., April 17.—It  
seems to be settled that B. F. Shive-  
ly, of South Bend, will be the Demo-  
cratic candidate for governor. Mayor  
Taggart returned from the  
conference at South Bend last night  
and said this morning that Shive-  
ly will be the nominee.

## SEEKS LEGAL SEPARATION.

Married in '96—Lived Together  
Only a Short While.

Ada Gordon has filed suit for di-  
vorce from Frank Gordon, alleging  
cruel treatment. They were mar-  
ried in '96, but lived together only  
a few months, states the petition.  
Gordon is a non-resident, his home  
being Goodlettsville, Tenn. Plain-  
tiff lives near Pembroke.

## TEN INDICTMENTS.

Taylor Mentioned But His is Not  
in the First Batch.

Bench Warrants Issued For The  
Howards And Others Not  
Yet Caught.

Frankfort, Ky., April 17.—The  
Franklin county grand jury this  
afternoon returned indictments  
against ten persons, charging them  
with complicity in the murder of  
Gov. Goebel. The principals are  
Henry E. Youtsey, James Howard,  
Berry Howard, Harland Whittaker  
and "Tallow Dick" Combs, the last  
named being colored. The acces-  
sories before the fact are Caleb  
Powers, John L. Powers, Charles  
Finley, W. H. Culton and F. Whar-  
ton Golden.

In the indictments relating to the  
accessories three men are practi-  
cally accused as accessories, though  
no indictments have yet been report-  
ed against them. They are W. S.  
Taylor, Green Golden and Capt.  
John Davis.

The indictments were reported at  
4:50 this afternoon.

Finley is now a fugitive at In-  
dianapolis, having fled just before  
a warrant against him charging  
complicity was sworn out six weeks  
ago.

It is supposed the commonwealth  
will dismiss the indictment against  
Golden in consideration of his testi-  
mony.

## BOTH CASES

Decided Against The Republican  
Usurpers.

Frankfort, April 17.—In the cir-  
cuit court this morning Judge Can-  
trill handed down a decision in the  
test case of Coulter vs. Sweeney,  
sustaining the Democrats in every  
contention.

It was a sweeping victory for the  
counsel for the real state officers.  
Unless the Republicans execute a  
bond carrying the case to the higher  
courts they must at once vacate the  
executive building. Judge Can-  
trill's decision has the effect of  
turning over all the minor depart-  
ments to the Democratic plaintiffs.  
Judge Cantrill also sustained the  
Democrats in their contention in the  
injunction proceedings, which  
prevented Shackelford from swear-  
ing in Mackoy and Cockran.

## Case Dismissed.

The case of the Commonwealth  
against George Henderson, col.,  
charged with the larceny of two  
bales of hay belonging to Mr. M. F.  
Shryer, was heard before Judge  
Cansler yesterday and dismissed.

## It's up to the People.

Less than a year remains in which the public facts and information that will influence your vote for the next president of the United States. That grievous wrongs have been committed, and grave errors allowed to exist without effort at correction, is evidenced by the speech, writings, and comments of eminent statesmen and congressmen and leading men of business; professors and clergymen in every state. In the outcry against trusting aside the safeguards of our fathers and rushing pell-mell into the affairs of Europe. The situation is a deplorable one if not alarming; as it also our domestic affairs dominated by gigantic Trusts. The evils are not of spontaneous growth! They are the result of years of labor and expenditure of millions of dollars! Beginning with the displacement of American silver for English gold, the cunning of England's diplomacy in shaping the destiny of our Republic is apparent to any ordinary observer seeking the true interests of the people. The Cincinnati Enquirer has frequently called attention to each and every move as it was transpiring, and during the campaign of 1900 will present its readers with a truthful array of facts that will be extremely interesting and startling. No fair-minded American, be he Republican, Democrat or of other political faith, can afford at this critical time to ignore the truth. Partisan prejudice with the Trusts as dictators is a far more degrading slavery than that which existed previous to the Civil War of '61-64. Trusts in the United States alone have a representative capital greater than all the gold and silver in the world. These will spend many more millions of dollars to suppress truth and facts and mislead all who fail to look beyond their plausible deceptions. Read the Enquirer and you will be able to discern the truth and combat falsehood. A victory for Trusts and the McKinley Administration in 1900 will end the era of progress and to greater numbers. Watch carefully the Cincinnati Enquirer. Augers are made for boring, and a man who augers is generally a bore.

# ANNOUNCEMENT.

We are authorized to announce  
**HON. HENRY D. ALLEN,**  
Of Union county, as a candidate for reelection  
to Congress, subject to the action of the  
Democratic party of the Second District.

If Turkey fools with us we may  
gobble up some of her territory.

Taylor happened to be away  
when those indictments were re-  
turned.

Young Senator Beveridge, of In-  
diana, has spoiled it all by taking  
the big head.

Dewey is growing in favor as  
a candidate for Vice President on  
the ticket with Bryan.

Lee Elmore has sold his interest  
in the Mayfield Mirror to his part-  
ner, L. A. Chandler.

Senator Hoar spoke in opposition  
to imperialism one day this week.  
His speech as prepared contained  
50,000 words, but as the Senator  
was not feeling well he spoke only  
three or four hours.

How's This?

AND BUT ONE Hood's Sarsaparilla**

Grand as the thunder of Niagara is the universal song of the cured  
that Hood's Sarsaparilla is  
**AMERICA'S GREATEST BLOOD MEDICINE**  
Hood's purifies and enriches the blood as nothing else can.

The Ballard Yeoman, Judge J. D.  
White's home paper, denies the re-  
port that Judge White will not be a  
candidate for re-election to the Ap-  
pelate bench in 1902. With Judge  
White in the race, all figures on the  
contest will have to be changed.

Municipal elections in Illinois  
show mixed results. In most places  
the license question attracted more  
attention than politics. The town of  
Aurora adopted a curfew law.

Senator Chilton has withdrawn  
from the race for Senator in Texas,  
leaving Congressman Bailey with-  
out opposition.

On the island of Mindanao 1200  
Filipinos attacked the Americans  
and fifteen of the Americans were  
killed or wounded.

The United States may break off  
diplomatic relations with Turkey  
because of the Sultan's failure to  
pay indemnity claims.

Mrs. Chas. Wright, of Watertown,  
Wis., shot at a hawk on top of the  
barn and killed her husband who  
was inside the building.

The Sultan of Turkey need not  
put on airs. We own a Sultan or  
two ourselves out in our Asiatic ter-  
ritory.

Dewey, Platt and Roosevelt head  
the New York delegation to the  
Philadelphia convention.

Judge Cantrell has entered judg-  
ment, ordering the Republican oc-  
cupants of the minor state offices to  
get out in ten days.

A much stronger case than was  
expected is being made out against  
Colson, who is on trial this week.  
Three witnesses have testified  
that he fired the first shot.

Why Taylor should have been  
mentioned as one of the conspirators  
and not indicted is one of the things  
that need a diagram. If Taylor is  
guilty of conspiracy to murder Gov.  
Goebel, he should be indicted, tried  
and executed with the other con-  
spirators.

Charles Finley says he will re-  
turn to Kentucky when ready for  
trial and Jim Howard says he will  
surrender if allowed to give bond.  
Why not put this nice pair on trial  
at once to save them the humilia-  
tion of going to jail?

Lieut. Col. Henry has mustered  
in two or three new military com-  
panies this week, the last at Nicho-  
lasville Tuesday night with Will-  
ard Mitchell as captain.

Mrs. T. G. Littlehales has re-  
turned from a visit of some time to  
relatives in New Mexico and  
Missouri.

## DEMOCRATIC LANDSLIDE.

Louisiana Shows Up With a Fifty Thousand Majority.

New Orleans, April 17.—The election today in Louisiana for members of the Legislature and a full State ticket resulted in a Democratic landslide. Three tickets were in the field—the Democratic, headed by W. H. Heard, the present State auditor; the regular Republican, headed by E. S. Reams, and a fusion embracing the sugar planters, independent Democrats and Populists, headed by Don Caffery, Jr., son of United States Senator Caffery. The Reams ticket cut no figure in the fight, polling an extremely light vote. The Democratic majority in the State may reach 50,000.

The legislature chosen today will elect successors to Senators McEnery and Caffery. The result today insures the return of Senator McEnery and the election of Gov. Murphy J. Foster to succeed Senator Caffery. The election was generally quiet. The state ticket elected today is as follows: Governor, W. H. Heard; lieutenant governor, Albert Estoutelet; secretary of state, John T. Michael; attorney general, Walter Guan; treasurer, W. S. Frazer; superintendent of education, J. V. Calhoun.

### IN EARLY MANHOOD

A Bright Young Lawyer Succumbs To Consumption.

Walter E. Warfield, Jr., the young lawyer, died at the home of his father, Esq. W. E. Warfield, at Casky, on the 17th inst., in the 33rd year of his age. He died of consumption, having been compelled to give up the practice of his profession several months ago. Mr. Warfield was one of the bright and promising young men of the county and when barely old enough was elected a justice of the peace in the Casky district and served four years. Later he studied law and began the practice of his profession here.

He took an active part in politics and was a leader in the Populist party, but with the great body of the Populists returned the Democratic party in 1896.

Mr. Warfield was a Christian descendant of Col. Wm. Christian, for whom Christian county was named. His great-grandmother was a daughter of Col. Christian's.

Deceased was born Dec. 31, 1867. He was educated at South Kentucky College.

In April 1894 he was married to Miss Cora Hargraves and leaves two children, William and Mary.

He was a consistent member of the Casky Baptist church, and a deacon in the church.

His funeral services were held Wednesday morning and the interment took place at Hopewell Cemetery.

At a meeting of the Hopkinsville bar suitable resolutions were adopted.

### From Lafayette.

Lafayette, Ky., April 17.—Mrs. J. E. Kyzer and daughter, Miss Ruby, of Rutherford, Tenn., are visiting Mrs. Kyzer's parents, Mr. and Mrs. Joseph Beazley.

Mrs. Kyzer has just recovered from a long and severe spell of typhoid fever, and her many friends here are very glad to see her up again.

Rev. J. D. Fraser and family, of Glasgow, Ky., are visiting relatives here.

Rev. Fraser is just up from a severe attack of appendicitis and is still quite feeble, but his many friends are glad to know that he is slowly recovering.

Mrs. Smith and Mrs. Pfeiffer, (nee Misses Howell) of Cripple Creek, Colo., are the pleasant guests of the family of Esq. P. I. Fraser this week.

Died, at her home in this city of pneumonia, Miss Jennie Fraser, on yesterday evening at 11 o'clock. She was sick only nine days. She was about fifty years of age, and was not a member of any church, though she was an excellent lady possessed of many admirable traits of character and will be greatly missed in the community.

She was a sister of the late W. I. Fraser, well known among tobacco men of Hopkinsville and Clarksville.

The interment will take place to-morrow at the family burying ground, five miles south of this place, in Tennessee.

## Facts for Women

Any article, whatever its merit, must be made known to the public by means of advertising. Advertising, however, though it can do much for a thing, cannot do everything. It may create a sale for a time, but in order to insure a lasting demand the thing advertised must have solid merit.

This is the case with Lydia E. Pinkham's Vegetable Compound. It has sold world-wide.

Women everywhere have learned this fact, and the result is that there is a feeling and absolutely unequalled demand for it. It has the largest sale of any remedy for female ills in the world, and this has been the case for years.

The reason for this is that Mrs. Pinkham claims nothing that she is not entitled to claim. She can do all that she says she can do, and her twenty years of experience make her advice valuable. Her experience has been not only long but world-wide, and she has helped more women back to health than any one else in the world. These facts should, and do, have immense weight with all sensible women. Remember these are not wild statements but solid facts.

**Facts About the Good Being Done by Lydia E. Pinkham's Vegetable Compound in Cases of Change of Life, Bearing-Down Pains, Etc.**

"I had falling, inflammation and ulceration of the womb; backache, bearing-down pains, was so weak, so nervous that I could not do my own work; had sick headache, no appetite, numbness of hands and feet cold all the time. I had good doctors, but none of them did me any good. Through the advice of a friend I began the use of Lydia E. Pinkham's Vegetable Compound, and after taking one bottle I felt great relief, and by the time I had used several bottles was completely cured, so that I could do my work again. I am now passing through the change of life and using your Compound. It helps me wonderfully. I want every suffering woman to know that your medicine has done for me."—Miss W. M. BULL, New Palestine, Mo.

"Lydia E. Pinkham's Vegetable Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the world. My trouble was child-birth fever. The third day after my birth, I took a chill, which was followed by a high fever. I would perspire until my clothes were as wet as though dipped in a tub of water. The chills and fever kept up for three days. My daughter got me a bottle of Lydia E. Pinkham's Vegetable Compound. The chills and fever also disappeared. My life was saved. My eye this morning is as bright as before."—LYDIA E. BOGHER, Etta, Pa.

**Facts About Two Cases of Falling of the Uterus Recovered by Lydia E. Pinkham's Vegetable Compound.**

"I suffered for fifteen years without finding any relief. I tried doctors, but nothing seemed to do me any good. I had falling of the womb, leucorrhoea, pain in the back and head, and those bearing-down pains. One bottle of Lydia E. Pinkham's Vegetable Compound did me so much good that I sent for four more, also two boxes of Liver Pills and one package of Sanative Wash. After using these I felt like a new woman."—Miss G. A. WINTER, Golden, Ia., Box 23.

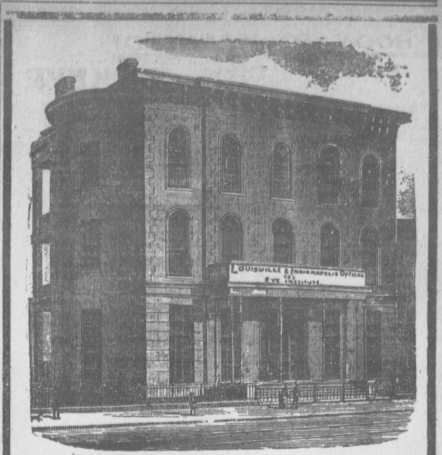

"I was suffering with falling of the womb, painful menstruation, headache, pain in groins, extending into the legs, also a terrible pain at left of womb. The pain in my back was dreadful during menstruation, and my head would ache until I would be nearly crazy. Lydia E. Pinkham's Vegetable Compound has given me great relief. I suffer no pain now, and I give your medicine all the praise."—Mrs. J. P. McSPADDER, Rosenberg, Tex.

**A Grateful Woman Recommends Lydia E. Pinkham's Vegetable Compound to Every Wife and Mother.**

"I have taken eight bottles of Lydia E. Pinkham's Vegetable Compound with most gratifying results. I had been married four years and had two children. I was run down, had falling of womb with all its distressing symptoms. I had consulted with a good physician, but I derived very little good from his treatment. After taking a few bottles of your medicine, I was able to do my work and nurse my seven-months-old babe. I recommend your medicine to every wife and mother. Had I time, I could write much more in its praise. I bid you adieu in your good work."—Mrs. A. MORRIS, Weika, Putnam Co., Fla.

"Dear Mrs. PINKHAM—When I commenced the use of your remedies I was very badly off. Every two weeks I was troubled with flowing spells which made me very weak. I had two of the best doctors, but they did not seem to help me. They said my trouble was caused from weakness and was nothing to worry about. I felt about the time; had no ambition. I was growing worse all the time until I began the use of Lydia E. Pinkham's Vegetable Compound. I am now able to help about the house, and am much improved in health."—Mrs. A. WALKER, Calliope Depot, N. Y.

## WHERE WE Restore the Blind

And cure nearly all diseases of the eyes and restore impaired vision

WITHOUT ANY PAINFUL OPERATION

## THE "X RAYS" DO IT

YOUR CASE IS NEVER HOPELESS TILL

Our "X Rays" Have Failed.

The Louisville and Indianapolis Optical Company: Gentlemen—Less than 4 weeks ago I came to your Institute—STONE BLIND IN THE LEFT EYE, NOT HAVING SEEN A RAY OF LIGHT WITH IT FOR OVER A YEAR. With my right eye I could not recognize my acquaintance across the street and it was rapidly failing, though I had for the previous 8 months been under the charge of two of Louisville's most popular oculists. No operation of any kind was performed on my eyes nor any disagreeable treatment undergone, and I can now define and describe the houses across the Ohio river at this point with the right eye and can see objects and properly name them at 10 feet distance with the left eye. Both eyes are rapidly improving in sight. Yours respectfully, MISS MAE HUSMAN, 249 E. Market Street, opposite Farmers' Hotel.

Louisville, Ky., March, 1900.

My Dear Doctor: After using the "X Rays" glasses adjusted by you, I am happy to say that they are unapproached in every particular. Indeed, they are a blessing and a comfort which I have not found in any other glasses, though I have tried several different kinds. With them I read for hours at night without weariness to the eyes and with out headache, which I have experienced in using other glasses. It is a pleasure to me to advise my friends to go to the Louisville and Indianapolis Optical Company when they want a genuine test of their eyes and the best glasses to be had. Respectfully yours, REV JOHN H. BOYET, 2118 Third Avenue.

The Louisville and Indianapolis Optical Company.

Gentlemen: Having been blind in my right eye from cataract for 4 years and hearing of your painless method of removal, I came to your Institute on a Wednesday and received a treatment that afternoon; on Thursday another, after which, at some time between 2 and 3 p. m., I found myself able to see a hand at 10 feet away—less than 24 hours. I could not tell the exact moment I was able to see, I took an elevator from or anything of that nature. I was given permission to return home on the sixth day. I was not confined to a dark room for an hour, not even at all; went out into the city every day. I am now able to see and describe large objects a quarter of a mile away and am getting better vision day by day. Yours respectfully, O. E. NELSON & Co., Barrel Manufacturers, Frankfurt.

Take L. & N. "Number Fifty-two" to St. Louis—arrive 7:16 p. m. Leave 7:30 p. m. Wabash "Cannon Ball"—Omaha 7:55 next morning—twenty-five minutes all you have to wait, when the "Overland Limited" leaves for the West.

## WAR TO THE DEATH

PESTS OF THE POULTRY YARD  
MUST GO!

American Lice Destroyer Kills  
Flies, Mites, Lice and Other  
Vermin in a Day Than  
All Other Remedies  
embroid.

The war is on! The days of lice and vermin that have done so much to make the life of the poultryman miserable, and his business unprofitable are over. American Lice Destroyer is the proper ammunition to use. This preparation is wonderful in its power, and vermin cannot exist twenty-four hours after it is applied to the coop or fowls. Every poultryman needs it. It is cheap, reliable and effective, one package being sufficient to protect 250 fowls from mites and lice for one year. Where this Destroyer is used, profits at once increase. Lice and vermin do more to kill profits than all other causes combined. You know it. Don't go losing money every week, but try American Lice Destroyer. You may have tried other things without success, but if this fails you can have your money back. We are in this fight to stay, and will back Destroyer against any number of mites or lice you may have. Don't fool away money with "recipes" or home-made makeshifts. Use scientific means. The American Lice Destroyer has been used by thousands of poultrymen; it has been on the market several years and has been tested thousands of times. We know it is all right, and if it doesn't do the work remember you get your money back. What more can you ask? If your druggist don't sell American Lice Destroyer, he's behind the age. In that case send for \$1.00 box at once. Made only by American Mfg. Co., Terre Haute, Ind.

### Recipe for Kissing.

So far as history recounts we find no rule for compounding a kiss or the ingredients contained therein, but we submit the following:

To one piece of Pizza, add a little moonlight, take for instance, two cheeks between two strong hands, press one small, white one, add a small amount of nerve. To one ounce of resistance, add two of willingness, stir in the flutter of a ruffle, then mix two ounces of contentment to 5 pounds of pleasure, then add a good size blush for coloring, plant the kiss firmly on two rosy lips, or one slightly flushed cheek—set aside to cool—guaranteed to keep in any climate.—Bardwell Star.

## THE ECONOMIC LEAGUE.

A Center to be Organized to Promote Good Citizenship.

In this age of great progress, when changes in our industrial, political and social systems are revolutionary in their development, when invention and other forces are changing the manner and methods of doing the world's work, when trusts, combines and monopolies are assuming such vast proportions, all should feel the need of such information on the live practical questions as shall enable them to act wisely in the discharge of their important duties as citizens. The University Association of Chicago is organizing the Economic League, with centers all over the country, for the purpose of giving all an opportunity to gain correct and unbiased information on the great economic and social questions.

The University Association has been doing lines of University Extension work for the past four years, securing as instructors the very best talent from the leading colleges and universities of this country and Europe. Courses of instruction have already been given in Universal History, Universal Literature, etc., to nearly 70,000 members, representing over 2,500 classes. The course in Political Economy, Political Science and Sociology is under the immediate supervision of Prof. Richard T. Ely, Ph. D., LL. D., Director of the School of Economics in the University of Wisconsin, assisted by a large number of recognized specialists of this country and Europe.

A center is being formed in Hopkinsville for the study of this course. It covers the live practical questions of the day and should be taken by every person interested in good citizenship. The plan is to furnish a systematic course of printed lectures for daily reading lessons. The class then meets once a week and reviews and discusses the lessons they have read. In addition there will be a lecture course on practical questions by the very best local talent that can be secured.

In short the plan is to bring university instruction within the reach of all, that they may have the benefits of the results of the profound study and investigation of the trained specialists of the world and thus prepare them for the highest ideal of American Citizenship.

Mr. Otto Fowler is representing the Association in this vicinity.

### Pulls a Tooth With a Gun.

Walter Smith, of Bloomfield, had been suffering from toothache. In vain he tried to extract the molar with a pinners and string. Then his anger rose, and when his wife taunted him with not having a particle of sand he resolved upon desperate measures. Procuring a yard of stove-pipe wire, he fastened one end of it firmly around the deeply rooted tooth in such a manner that it could not pull loose, and the other end he wound around a ramrod.

Taking down his shotgun, he placed an extra charge of powder in the barrel, rammed the rod home, and, stepping to the door, he cocked the gun, opened his mouth and fired skyward.

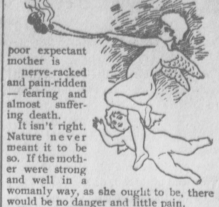

There is a loud explosion and tooth and ramrod sailed away skyward. Smith has not since been troubled with toothache.—[New York telegram to the Chicago Times-Herald.

Good fortune sometimes comes to us in a very shabby looking carriage.

Baby's coming should be a time of joy and happiness. Fear should be forgotten and pain a stranger.

How often is it so?

As the time approaches how often the

poor expectant mother is nerve-racked and pain-ridden—fearing and almost suffering death. It isn't right. Nature never meant it to be so. If the mother were strong and well in a womanly way, as she ought to be, there would be no danger and little pain. The time of parturition is made comfortable and safe by the use of Dr. Pierce's Favorite Prescription. It is a medicine designed by a skilled physician—a specialist in the disorders and diseases of women—for the express and only purpose of putting the whole woman on a systematic, perfect, vigorous health. It works directly on the organs involved in baby's advent and makes them strong, healthy and flexible. Taken during the whole period of gestation it insures the perfect health of both mother and child.

Mrs. Mollie E. Grimes, of Plomaton, Seaboard Co., Ala., writes: "I have taken three bottles of your Favorite Prescription, and one bottle of your little 'Pelle's' and oh, what an appetite they did give me. My baby is now three months old and weighs fifteen pounds and a half. When she was born she was the fattest little baby I ever saw. She was the largest one of all my babies and at the birth had no water and shorter than I ever had. I am sicker and healthier than I ever was. I never will be out your medicine. May God bless you and your good medicine."

For obstinate constipation Dr. Pierce's Pleasant Pellets are the most perfect medicine ever devised. They give prompt, comfortable, permanent relief.

THE

NEW YORK WORLD,

THIRICE-A-WEEK EDITION.

ALMOST A DAILY—AT THE

PRICE OF A WEEKLY.

The most widely circulated "weekly" newspaper in America is the Thrice-Week edition of The New York World, and with the presidential campaign now at hand you cannot do without it. Here are some of the reasons why it is easily the leader in dollar a year journalism. It is issued every other day, and it is all purchased a daily.

Every week our subscriber receives 18 pages and often during the "busy" season 24 pages each week. The price is only \$1.00 per year. It is virtually a daily at the price of a weekly.

Its news covers every known part of the world. No weekly newspaper could stand alone and furnish such service.

The Thrice-A-Week World has at its disposal all of the resources of the greatest newspaper in existence—the wonder of modern journalism—"America's Greatest Newspaper," as it has been justly termed—"The New York World."

Its political news is absolutely impartial. This fact will be of especial value in the Presidential campaign coming on.

These are only some of the reasons there are others. Read it and see them all.

We offer this unequalled newspaper and the KENTUCKIAN together one year for \$2.50. The regular subscription price of the two papers is \$3.00.

## RESOLUTIONS OF RESPECT.

Bar Takes Action On Death of Mr.  
W. E. Warfield, Jr.

At a meeting of the Hopkinsville Bar held in the County Court room, at Hopkinsville, Ky., the following proceedings were had: On motion C. H. Bush, Esq., was elected chairman, and Roger Harrison, Esq., Secretary of the meeting; whereupon the chairman stated that the object of the meeting was to take suitable action concerning the death of W. E. Warfield, Jr. Esq. and thereupon on motion of Hunter Wood, a committee of three members of the Bar were appointed by the chairman, to draft suitable resolutions expressing the sorrow of the members of the Bar at the death of Mr. Warfield. The chairman appointed Messrs. Hunter Wood, M. D. Brown and J. T. Hanbery as the committee, who retired and later reported the following resolutions: Whereas: We have learned with deep regret of the death of our friend and brother W. E. Warfield, Jr.

Therefore, Be it resolved:  
1. That we cherish with respect and affection the memory of our deceased brother, that in him we recognized while living and remember as dead the kind and manly Christian gentleman, always respectful and courteous to the Court, and the other members of the Bar, a lawyer of fine attainments, who had attained a good position in his profession, and whose past record in his profession was but the foreshadowing of the eminence to which he would have attained, had he lived longer.

2. That we sympathize deeply with his family and friends in their sad bereavement.

3. That the Bar attend his funeral in a body.  
4. That these resolutions be spread upon the Record Books of the Christian County Court, and the Christian Circuit Court, and a copy sent to the family of our brother, and the City papers be requested to publish same, which were unanimously adopted.

On motion it was further resolved that the chairman appoint eight members of the Bar to act as pall bearers, whereupon the chairman appointed the following gentlemen to act as pall bearers:

Frank Rives, J. B. Allensworth, J. T. Edmunds, W. T. Fowler, J. T. Hanbery, A. P. Crockett, G. W. Southall, Ed. C. Wade. Then the meeting was adjourned.

C. H. BUSH, Chairman.  
R. W. HARRISON, Secretary.

## BOUQUET FOR WHEELER.

Amos Cummings Compliments  
the Young Kentuckian.

Amos J. Cummings, in the New York Telegraph, discusses a number of congressmen who are rising to distinction in the House. Among these he mentions Edmund H. Driggs, of New York and then adds: "Another figure who seems perfectly at home on the ladder is Charles K. Wheeler, of Paducah, McCracken County, Ky. When thoroughly aroused in debate Wheeler is a hurricane. He has snapping gray eyes, an impassioned manner, surprising diction, a fair share of ammunition and great rapidity of enunciation. Like Driggs, Wheeler is serving his second term. Both not only hold, but

attract the attention of the House. Each was born during the civil war, Wheeler being two years younger than Driggs. Each is feeling his way up the ladder very carefully. Both are promising statesmen. Neither ventures upon a lofty strain of eloquence, but each contents himself with commonsense arguments and a careful array of alleged facts, ribbed with logic. Wheeler, however, is said to be one of the best stump speakers in Kentucky. He has superhuman energy, unbounded activity, and a nervous mentality that makes him at all times a dangerous antagonist."

## FLOURING MILL DESTROYED.

Property Owned By Former Kentuckian—Loss Heavy.

The Cedar Hill flouring mills, a few miles south of Guthrie, were totally destroyed by fire at an early hour last morning. The fire was first discovered by the night telegraph operator at about 3 o'clock. Several buildings near by caught fire, but were put out, except a small frame building, belonging to the estate of Alfred Hitt. The mill was owned by Z. T. Hazelip, formerly of Bowling Green, Ky., and was valued at \$7,000. Between 5,000 and 6,000 bushels of wheat, about 200 bushels of corn and 400 barrels of flour belonging to E. B. Potter, of Nashville, were lost. The insurance on building and machinery is \$4,000. The fire is supposed to have originated in

the engine room. Mr. Hazelip has not yet decided about rebuilding.

## MUHLENBERG LADY

Brought to Asylum—Mania for Destroying Property.

Mrs. Nancy Wood, of near Greenville, was adjudged of unsound mind Wednesday and brought to the asylum here yesterday in charge of Messrs. J. S. Hanbery and Esq. J. R. Randolph, of Greenville. She had a mania for burning and destroying property and had to be kept under restraint for some time before being brought to the asylum.

## HELD UP

No More Indictments Expected For A Week.

Frankfort, Ky., April 18.—Bench warrants were issued this morning for the persons indicted yesterday who are at large, and were placed in the hands of the Sheriff to be sent out to the counties in which the parties live to be served.

The grand jury went to work this morning on some local cases and may not resume consideration of the conspiracy case for a week. It is necessary that Commonwealth's Attorney Franklin be present in the courtroom during the Colson trial, and, as he has been with the grand jury throughout the investigation heretofore made in the case, it will likely not attempt further work without him.

## DR. DUNCAN.

An Aged Clinister, Dies at the Asylum.

Rev. W. W. Duncan, an aged and well known Presbyterian minister, died at the Asylum Tuesday night. While out walking a few weeks ago he fell and injured one of his hips. In a few days he was attacked with pneumonia and passed away as stated.

He was a native of Hancock county and had been engaged in ministerial work for many years. He was sent to the asylum about eight months ago and was 80 years old. Funeral services were conducted at the Ninth street Presbyterian church by Dr. W. L. Nourse yesterday morning and the interment took place in Hopewell.

## Asks For Damages.

Mrs. Lula A. Giles, of Howell, has brought suit against the L. & N. for \$60 damages for a cow alleged to have been killed by one of the company's trains on the Clarksville & Gracey division some time ago.

## Operating In Alabama.

Mr. J. K. Forbes has gone to Reform, Ala., where he will put in operation a saw-mill, which he recently shipped to that point from St. Charles, Ky. Mr. B. F. Carlross, of Church Hill, accompanied him and will remain at Reform for some time in charge of the business. Mr. Forbes and Mr. Carlross took along with them about a dozen white hands.

## Suit Against I. C.

W. N. Walpole, of Gracey, has sued the I. C. railroad company for the value of a box of tools, clothing, etc., which he shipped over their road, and which he alleges was lost.

## TWINS MARRY TWINS.

Unique Double Easter Wedding at Columbus, O.

Columbus, April 15.—An unique double Easter wedding was solemnized to-day when Gey Omer Crabb and Guy Omer Crabb were married to Adrien Dodson and Edna Dodson, twins. The grooms are twenty-seven years old and the brides seventeen. The former were born at Mount Sterling and the latter at Harrisville, W. Va. The twins in both cases have always lived together, and not wishing to be separated in marriage, they decided to furnish a double house. The houses are furnished exactly alike. The ceremony was performed at Westerville at the home of the brides.

Republican Party Must Answer.

Says the Chicago Times-Herald of the 4th of April, alluding to the passage of the Puerto Rico bill by the senate:

"Thus has been consummated, so far as the house of congress can, the most remarkable departure from unvarying American precedents, the most unaccountable violation of American good faith, the most insolent affront to almost universal American sentiment.

"Just as surely as this is a government of the people, by the people, for the people, the American people will not suffer the obloquy this bill casts on their honor and good faith to be perpetrated with impunity. If the Republican majority permits it, there will be a reckoning with the Republican party by Republicans next November."

## Two Free Lectures.

H. S. Bonsh, of Vincennes, Ind., will give two free lectures on prohibition at Anderson's hall—some this evening and one to-morrow evening.

Mr. Bonsh is said to be a very forcible, logical and convincing speaker, full of illustration and strong points and the public is invited to hear him.

## One Hundred Dollar Coal.

The way the difficult transportation enhances the price of coal is interestingly shown by the fact that Maryland mining corporation gets 85 cents a ton for coal at the mines.

Then it is sent over the Baltimore & Ohio to Locust Point, where it is loaded on vessels and goes around the Horn to San Francisco. From here it is shipped by rail to the interior points and then placed in sacks and carried on mules to the small mining settlements scattered through the mountains. This coal is retailed in these settlements, some being hundreds of miles from the railroad, at \$100 a ton, or 5 cents a pound.

The Buble-Kreyer Theater Company will be the next attraction at Holland's Opera House. The engagement is for a week, beginning on the evening of April 30.

## Sold a Span.

Mr. T. L. Graham, of Casky, on last Tuesday sold a pair of young horses sired by his combined stallion, Hunter 263, at Bowling Green, for \$900.
